

## California Grown, Local Beef

Our Harris Ranch story starts at the ranch where we source cattle from progressive ranching families throughout the west who utilize superior genetics in their herds. Our network of cattle producing families are committed to sustainable ranching practices and humane livestock handling.

At Harris Ranch, quality, consistency and unsurpassed levels of food safety make up the cornerstones of our operation. The net result is that exceptional flavor is built into all Harris Ranch beef products.

### ***Grass Raised – Grain Finished***

Our beef cattle graze on western ranches for 70 – 80% of the time before being fed premium grain for superior flavor and quality.

### ***Verified Humane Handling***

Harris Ranch uses an independent third party to verify our compliance with the Beef Quality Assurance Program and its animal care requirements.

### ***Reduced Antibiotic Usage***

Antibiotics are used in a therapeutic manner under veterinarian oversight to treat cattle that require medical attention.

*Legendary Beef. Legendary Quality.*
